Tips For Kids' Safety

Do Not Pass

It is illegal to pass a school bus that is stopped to load or unload children.

Seeing Yellow

School buses use flashing yellow lights to alert motorists that they are preparing to stop to load or unload children.

Seeing Red

Red flashing lights and an extended stop sign arm signals to motorists that the bus is stopped and children are getting on or off.

All Stop

Traffic in both directions stop on undivided roadways when students are entering or exiting a school bus.

Crosswalks

Do not block the crosswalk.

Stay Behind

Traffic behind a school bus (traveling in the same direction) must stop.

Distance

Stop your car far enough from the bus to allow children the necessary space to safely enter and exit.

Look Out

Take extra care to look out for children in school zones, residential areas, parks and playgrounds.

Stop

Always stop when directed to do so by a school patrol sign, school patrol officer or designated crossing guard.

Stay Alert

Children are the least predictable pedestrians and the most difficult to see.

Don't Honk

Don't honk your horn, rev your engine or do anything to rush or scare a child in front of your car.

Never Pass On Right

Never pass a school bus on the right.

Bark Post: A Monthly Column

By Amalee, Community Watchdog

Hot Car Heads-Up!

Summer is in full swing, and it's hot out there! On sunny days, it's tempting to bring us pets along wherever you go. But did you know that even on a seemingly mild day, the temperature in a parked car can quickly reach levels that can harm, and possibly kill me? According to the American Veterinary Medical Association, the temperature inside your vehicle can rise almost 20° F in just 10 minutes. For example, if it's 78° F outside, inside the car can exceed 90° F, and escalate up to 160° F if it's in the sun! My only means of cooling myself is panting and drinking water, so with no outside air and no water, my body's ability to function quickly deteriorates. Being unable to breathe, to cool myself, and risking death is certainly not worth it for an outing, even if I'm left alone only briefly!

If that doesn't deter you, I should tell you that concerned citizens frequently call Animal Services Officers to report dogs in parked cars on sunny days. You could end up with a citation, or perhaps the police being summoned to break the car window and me being taken to the shelter!

Please remember if you're going on a drive where I'm invited every place you will stop, you can bring me! Otherwise, love me enough to leave me home. Also, don't forget that hot pavement can burn my paw pads! If pavement feels too hot on your hand after a second or two, it's too hot for me to walk on. Early morning and evening are better times to walk us.

Thanks for listening,

Amalee

COMMUNITY HEROES CELEBRATION

Thursday, August 17

5:00 - 8:00 pm

Fairbourne Station
Promenade

2810 West 3590 South

New location, new activities and new vision!
The event will be a family friendly night of entertainment and helpful information.

- Safety information displays from approximately 20 vendors
- Kids activities (facepainting, balloons, bounce houses and more)
- Visits from McGruff the Crime Dog, Nat the National Night Out Knight, Grizzbee and some other superhero friends!
- Live entertainment featuring The Otter Creek Duo
- Food trucks (regular prices apply)
- Emergency vehicle displays
- WVC PD K9 demonstration
- and much more.

Stay after the event and enjoy a MOVIE in the park once the sun goes down!
